I understand that the Medical Staff of this Hospital must evaluate my professional competence and qualifications and make appropriate recommendations to the Governing Board of this Hospital and that such responsibility extends to both the processing of my initial application and the continual assessment of my performance should I be granted membership and privileges. It will be necessary to investigate my professional training, experience and professional conduct and judgment; accordingly, it will be necessary to inquire of other persons and institutions, including medical schools, hospitals, medical societies, professional liability insurance carriers, individual practitioners and other appropriate sources, as to information regarding my qualifications. Additionally, I understand that the Hospital and Medical Staff may receive requests from other hospitals, medical societies, and other legitimately interested organizations and institutions, for information pertaining to my qualifications and performance as an applicant and/or member of this Medical Staff. I recognize that all evaluations, inquiries and responses to inquiries regarding my professional competence and qualifications shall be carried out in a professional and ethical manner, with due regard for appropriate confidentiality of the information in issue. d. To be bound by the terms of the Medical Staff and Hospital Bylaws in all matters relating to the consideration of this application, regardless of whether I am granted Medical Staff membership and the privileges sought. In this regard, I acknowledge that I have received and had the opportunity to review the Medical Staff Bylaws and Rules and Regulations, and any Hospital Bylaws or Rules and Policies which may pertain.

I pledge to maintain an ethical practice, to provide for continuous care of all my patients, and to acknowledge and abide by any Medical Staff Bylaws requirements for release and immunity from civil liability. I further release from liability any persons or entities which request or provide information in furtherance of the above-described purposes, whether or not such release is specifically required by pertinent bylaws, to the fullest extent established by applicable statutes, regulations and judicial decisions.
