About Citrus Valley Health Partners

Overview

As the largest, nonprofit health care provider for East San Gabriel Valley residents, Citrus Valley Health Partners serves the community through the work of our hospitals: Inter-Community Hospital, Queen of the Valley Hospital, Foothill Presbyterian Hospital and Citrus Valley Hospice and Home Health. CVHP's brand of technologically-advanced, comprehensive health care service is possible only through the combined effort of our talented employees, physicians, volunteers and donors who make up the CVHP family.

Our Mission

Our mission is to help people keep well in body, mind and spirit by providing quality health care services in a safe, compassionate environment.

Our Values

Our values of Respect, Excellence, Compassion, Integrity and Stewardship are the foundation of the care we provide our patients and their families.
