

Attached is information and instructions for the new Expanse Computer-based Training (CBT). These vignettes will take about one hour in total to complete. They range from 45 sec to 4 minutes in length. They will provide you with a general overview and will allow you to focus on your inpatient, ED and office workflow during your additional training sessions.

COMPUTER BASED TRAINING (CBT)

We are ready to start the computer based portion of our training.

After clicking the link, click 'Log in' at the upper right of the screen.

Username: first initial followed by your full last name (e.g. nbuettner).

Password : Citrus (case sensitive).

Please click on the following link to get started

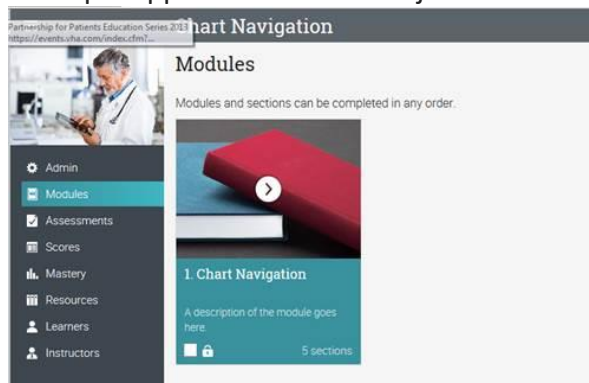

<http://nha.medpower.org>

OR

If you would prefer to complete this section of the training on your smart phone or tablet, please note that the app for these can only be used on an iPhone or iPad. You can download the app, by following the below itunes link from your apple device, or you can enter the following address into your browser on your iPhone/iPad:

<https://itunes.apple.com/us/app/medpower-navin-haffty-associates/id1163113944?mt=8&ign-mpt=uo%3D2>

You'll then see different clickable modules. To proceed, click on the TITLE of the module first (not the "play video" arrow icon) to find a description of the sections that are included – a sample appears below. Then just click on each of the sections to complete them.

Once you have completed viewing the videos in a Module, you must click on the assessment associated with the Module, if one is associated to the course. This will show that you completed the assessment.

The screenshot displays a learning management system interface. On the left is a dark sidebar with a 'Modules' section containing five items: 'Chart Navigation - Overview Of The Tabs On The Chart (1min 32secs)', 'Chart Navigation - Reviewing The Summary Tab In The Patient Chart (2mins 14sec)', 'Chart Navigation - Activity Tab (1min 16secs)', 'Chart Navigation - Reference Region Navigation (2mins 25secs)', and 'Chart Navigation Assessment'. Below this is an 'Assessments' section. The main content area is titled 'Assessment' and is divided into three sections: 'Scoring' (Max score: 4), 'Your submission' (Submitted: Paused, Attempts: 0, Max. attempts: unlimited), and 'Instructions' (The quiz is not timed, so you can pause it and resume at any time. If you cancel the quiz, your answers are discarded and they are not counted as a submission. A 'Resume quiz' button is present). Below the instructions is an 'Answers' section with the text 'Here are your latest answers:' and a single item 'In progress'.
